

7th National Annual Hands-On Workshop on the diagnosis of Hirschsprung's disease and its variants

Conducted by the Department of Pathology, St. John's Medical College, Bangalore, a National Referral Centre for the diagnosis of Hirschsprung's disease.

Dates: 2nd and 3rd August 2017

Venue: St. John's Medical College, Bangalore 560034.

This unique workshop, first of its kind in the world, will focus on the handling of fresh rectal mucosal biopsies through frozen section, acetylcholine enzyme histochemistry and its interpretation for rapid intra-operative diagnosis and immunohistochemical interpretation on formalin-fixed biopsies for the diagnosis of Hirschsprung disease & its mimickers. A must attend workshop for pathologists and paediatric surgeons to train in intra-operative diagnosis and handling of specimens for bowel motility disorders to facilitate optimal surgical management. All sessions are interactive with opportunity for oral case presentation. Each participant will also be provided with a manual and a take-home slide box with cases representative of the lesions.

CME credit points (KMC) will be 2 hrs.

The course fee is Rs 3,500 for postgraduates, Rs 4,500 for others and USD 130 dollars for international delegates. Payment is acceptable through NEFT only:
